

Stabilizer Seminar

Saturday, March 13

from 1-4pm

Fee \$15

What stabilizer should I use on knits?

What stabilizer should I use on denim?

What do I need for a 50,000+ stitch embroidery design?

What do I need for towels, linens, baby clothes, linens ?

When do I need a water soluble topping?

Why would I use an adhesive sew n wash?

Can I use saran wrap instead of a water soluble topping?

If you have any questions about embroidery stabilizers this is the seminar for you.
