

# FTCU SOFTWARE – Design a Patch & Mug Rug

<b>Class Date</b>	Saturday, Nov 14 2020
<b>Class Time</b>	10:30am – 4:30pm
<b>Class Fee</b>	\$45
<b>Instructor</b>	Meiko Martin
<b>Class Limit</b>	10
<b>Proficiency Level</b>	Advanced Beginner - You must know how to navigate around the workspace and the basic digitizing tools. Hopefully you've had some time to practice creating simple designs.
<b>Description</b>	<p>This is a digitizing software class for Floriani Total Control-U.</p> <p>In this class, I will guide you as you create your own patch and quilted mug rug designs. Once designing is done, the rest of class can be used to sew out your projects. You should be able to finish at least one of your items in class.</p> <p>Samples of the patch and mug rug pictured above, are at Humble Sewing Center.</p>
<b>Supplies</b>	See supplies list for more details and get ready to learn how to turn your investment into projects.
<b>Special Notes</b>	<ul style="list-style-type: none"> <li>• Masks will be required when not seated at your machine.</li> <li>• See class cancellation policies on the store's website.</li> <li>• If you're fairly new to FTCU, this class may move too fast for you. Please contact me to get information about my private classes.</li> </ul>
